

New York Sea Grant and the Long Island Sound Study present:

# Learning's a Beach!

*Long Island Sound Ecology for the Classroom and Beyond*

**A Long Island Sound Mentor Teacher Workshop - Designed for Secondary Educators (6-12)**

This hands-on workshop will provide classroom activities and prepare teachers to utilize Long Island's natural resources in an outdoor learning lab. Topics covered include geological origins of Long Island, beach and salt marsh ecology, water quality, and global warming impacts on marine ecosystems.

Participants will receive 6 professional development hours and a field tote packed with curriculum materials, field guides, and equipment to conduct classroom and outdoor activities!

**Date:** Saturday, September 28, 2013 (rain date September 29)

**Time:** 9:00 am – 3:00 pm

**Location:** West Meadow Beach, Stony Brook, NY. Please meet under the pavilion located next to the playground.

**Cost:** \$15.00 – Includes continental breakfast and lunch from Fratelli's Market Place!

**Dress:** "Field Attire" - sneakers or boots and layered clothing that may get wet or dirty.

Register online at <http://tinyurl.com/lismt>. Deadline for registration is September 20, 2013

If you have any questions, please contact Amy C. Boyajian, Long Island Sound Study Outreach Coordinator, at [acb328@cornell.edu](mailto:acb328@cornell.edu) or 631-632-9216. This workshop is limited to 20 participants.
