fun!*

*Check with
your local event
organizers for
specific activities.

National Estuaries Day is an annual celebration of the vibrant coastal areas where rivers meet the sea — estuaries. National Estuaries Day is a great opportunity to learn more about these magical places and how you can help to protect them. Whether you live close enough to visit your local estuary, or you virtually explore an estuary at www.estuaries.gov, take some time to explore these amazing places.

National Estuaries Day

in partnership with

National Public Lands Day

A National Environmental Education Foundation Program
