Long Island Sound – the Webinar

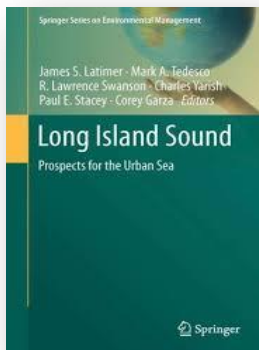

There's a NEW Plan emerging for the protection and management of Long Island Sound. Find out more about the Plan and the ***proposed ecosystem targets. Tell federal and state agencies what environmental challenges you care most about.*** Join us for a one-hour webinar with live online polling and a chance to provide feedback on the Plan.

Hosted by the Long Island Sound Study

Location: Register and join us online at: <http://tinyurl.com/LISoundPlanWebinar>
