THEIR ENVIRONMENT !!!

*JOIN US FOR AN  
EXHILARATING DAY OUT  
DOORS!*

- ⇒ This one day workshop accommodates up to 20 educators who wish to learn how to incorporate Long Island's natural resources in an outdoor learning lab.
- ⇒ Field studies discussed include invasive species, dune formation, gps through geocaching, water quality testing, fish seining and fish identification.
- ⇒ Engage in activities that can be easily adapted to any 6-12 Life Science, Living Environment, or AP Environmental Science curriculum.
- ⇒ Effectively draw your students land based activities to their effect on nearby watersheds, marshes, and ultimately Long Island Sound.

~DRESS FOR OUT-  
DOOR ACTIVITIES.

~BE PREPARED FOR  
A SUMMER SHOWER.

~BRING WADERS IF  
YOU HAVE THEM!
