

New York Sea Grant and the Long Island Sound Study present:

The Wonders of Wetlands

A Long Island Sound Mentor Teacher Workshop

Designed for Science Educators.

All lessons are aligned with NYS Science Learning Standards in grades 5-12.

In this hands-on workshop, you will be learning how to:

- Utilize Long Island's natural resources as an outdoor classroom.
- Apply inquiry based techniques to teach ecological concepts to your students.
- Effectively organize a field study in a wetland ecosystem.

All participants will receive 6 professional development hours and a starter kit that includes Teacher Curriculum Resource Guides, field guides, and equipment!

Location: Cedar Beach, Mt. Sinai, NY

Date: Saturday, April 30th (rain date Sunday, May 1st)

Time: 9am to 3 pm

Cost: \$10 registration fee. Breakfast, snacks, and beverages will be provided. Bring your own lunch.

Attire: Sneakers, long pants, and layers are recommended.

TO REGISTER: Contact Larissa Graham, Long Island Sound Study Outreach Coordinator, at LJG85@cornell.edu or 631-632-9216 before April 22, 2011. This workshop is only open to 20 people, so sign up today!! Directions and additional details will be provided upon registration.
