

Long Island Sound Study

A Partnership to Restore and Protect the Sound

If you live, work, or play in the Long Island Sound Region, WE WANT TO HEAR FROM YOU!

The Draft Long Island Sound Study (LISS) **2025 Comprehensive Conservation and Management Plan** will be available for public comment from **September 23 – November 22, 2024**. We invite you to share your feedback on the Draft Plan to help shape the future of restoration efforts across the estuary and its land and waters!

Comment on the Draft Plan

The Draft Plan will be available for the public to provide feedback during the 60-day public comment period from **September 23 – November 22, 2024**. Use the QR Code to access the **Draft Plan and instructions for how to provide comments**.

Learn More at Upcoming Virtual Public Information Sessions

LISS will provide an overview of the Draft Plan and share guidance on how to participate in the public comment period during two information sessions:

September 25, 2024
(beginning at 6 p.m. ET)

About the Plan and Why it Matters

The Plan outlines steps to restore and maintain the health of Long Island Sound and the lands and waters that flow to it. The Plan is revisited every 10 years and is being revised RIGHT NOW. The contents of the Plan will impact on-the-ground projects and initiatives near you.

This is YOUR opportunity to steer local and regional conservation funding decisions for the next 10 years!

The Plan addresses:

-  Clean water and healthy watersheds
-  Thriving habitat and abundant wildlife
-  Informed and engaged public
-  Sustainable and resilient communities
